

BRASS MONKEY RUN 2021 in aid of TOYS FOR TOTS. **Sunday October 17th.**

The MG Car club of Toronto is inviting other interested clubs to join our Annual Brass Monkey Run on Sunday October 17th, 2021. All proceeds are given to the Georgetown Salvation Army TOYS FOR TOTS.

The start will be in the area of Mississauga Road and Steeles Avenue, A bit north of the 407. Depending on how many sign up we may have two start points. Closer to the time you will be advised of your starting point. The route will take us through as many wooded and twisty roads as I have reasonably found on our way to Grey County. Approx. 85 Miles, 136 Kms. It will be a morning start. Exact timings to follow.

Our preferred lunch destination has set us a capacity restriction and we are still looking for additional lunch spots in the vicinity of our planned finishing area if we need them. We do know that there are lunch spots a few miles away so there is no restriction on how many can participate in the run, just how many can sit down for lunch at the preferred spot. Of course, you can always bring your own lunch. We will endeavour to allocate seats at the preferred lunch spot based on when we receive your registration so register quickly. Competing the lunch seating request does not guarantee a seat. Closer to the event you will receive more information.

If you want to join in the run please complete the attached form this form.

<https://form.jotform.com/212617716702958>. Please provide all information on the form and pay the \$15.00 registration fee per car by October 4th.

There will be no Charity tax receipts or refunds once registered.

Registrations will not be accepted on the day of the event.

A few days before the event you will be sent a waiver which is to be handed in at the start in exchange for the route directions. **No signed waiver, no route instructions and you are not on the run.**

As usual, we expect a large turnout for this event so please register early to secure your reservation:
