

AUGUST 2ND — CAROL'S FRIDAY NIGHT TOUR OF ROCKWOOD AND AREA

Couldn't find any toilets (Cest la Vie)

Strap on your favourite Miata/MX5 (I know there are those who have more than 1) and get ready for a jaunt through the hills, valleys, and twisties, of the area around Rockwood.

Gathering at the Tim Horton's on Hwy 6 just north of the 401 off ramp #299, before Aberfoyle, we will have a driver's meeting at 6:30 pm.

See you all there, looking forward to a great evening drive with a wonderful ice cream shop at the end. There is a covered bridge for picture taking and watching the river from.
