There's a huge parking lot at the lower entrance (by The Quarry building)

The upper lot at Block 3 can also accommodate one group or more.

Both lots connect at the rear so you can try your luck either way.

The main road has shopping, coffee & ice cream, restaurants and knick knacks.

There's a model railroad exhibit (behind the Quarry bldg).

I'll be in Block 3 Brewery having a beer! Hope you enjoyed today's run.
