

TRILLIUM MIATA ORFORD (EASTERN TOWNSHIPS) TOUR 2017

Friday August 4th. to Monday Aug 7th.

Back by popular demand as requested by members

I'm happy to announce that we will once again enjoy the sights of Mount Orford Québec and stay at my favorite lodge. The Auberge 4 Saisons D'Orford has changed names along with a new building extension including Gym, Spa and yes, indoor and outdoor pools.

Welcome to the new

<https://espace4saisons.com/en/>

- Our last tour in 2015 included a very successful Boat ride on lake Memphremagog. We now have the option to take an equally picturesque Train ride and meal.
- Reservations for ether the boat and (or) Train can be made later and will include the available menus.
- I do not plan on making a driver roster to get to Orford this year as all of it is highway and it's has been difficult to pair up driving styles. I will off course be providing directions.
- I'm hopeful that we will be hosted by the local Miata Club for some hidden roads.

- Lunch at the Brasserie Lac Brompton is a must.
- Touring activities will be determined at a later date.
- I will be making a business trip within the next few weeks to help determine if we move to the newly built wing or stay in the old section. Don't worry. Both have Trillium popular second floor balcony for those memorable get togethers.

This tour will be limited to 24 cars (for now) with some being dispersed to our friends at UMN. Further info will be sent once the hotel bookings are completed.

For now, the priority will be to make the Hotel reservations. See info below

Please see below for hotel contact info. Please email the registration form back to me once you have made your Hotel confirmation.

All registrations must be in by June 1st.
