

**TRILLIUM MIATA CLUB**

**2017 Niagara-On-The-Lake Wine Tour**

We'll be visiting 6 wineries, including one for "lunch". It's another Discovery Pass weekend, so each winery will serve us a little morsel of food with each wine pairing. A pack of 8 tickets runs \$40, and is typically plenty for a couple to share.

We'll spend the better part of 30 minutes at each winery, so you'll have time to enjoy additional tastings of whatever you want. Typically, tastings are a few bucks, or free if you wind up buying something. We've regulations in this country against giving out free liquor!

We start it the winery with most beautiful facade. We'll try out a new one. We'll have lunch at the one with the most food value. We'll check out the one with the best view. Then we check out the new favourite. Finally, we'll end at the newest built for hockey fans.

If you missed the winter-beater ice wine tour in January, and you missed the fall winery tour last year, then you don't know what you're missing!
