

TRILLIUM MIATA CLUB

2017 Winter-beater Niagara-On-The-Lake Icewine Tour

We're hitting many firsts with this one. It's the first tour of the year. It's the first TMC icewine tour. It's the first TMC winter-beater tour. It's the first TMC no-miatas-allowed! Tour. It's the first TMC carpooling tour. Bring your mittens, it'll be cold out there. You wouldn't want to miss out on roasting icewine marshmallows around the outdoor fire pits just because you didn't dress-the-part!

We'll be visiting 5 wineries, including one for "lunch". It's another Discovery Pass weekend, so each winery will serve us a little morsel of food with each icewine pairing. A pack of 8 tickets runs \$40, and is typically plenty for a couple to share.

With SUV's a plenty, there's no reason for so many drivers. So we'll pile into as few SUVs as we can. Fewer drivers means more partakers of icewine!

We'll spend the better part of 30 minutes at each winery, so you'll have time to enjoy additional tastings of whatever you want. That said, if you've never had icewine, take your time, and find your favourite. Don't let anyone tell you that there aren't any reds. Bonus points if you find a sparkling one!
