1. Once you enter Island Lake Park you will stay to the right. Map with green line.
2. Stop at the parks kiosk. You will be met by Miata Members who will give you your park entrance ticket, and an envelop containing your Show N Shine Ballot and a program of the days events, along with your Car Number for the Show N Shine.
3. Proceed to parking area 6 where you will be met by Miata Member Parking Guides. They will be trying to organize cars by model for the Show N Shine Judging. If you do not plan to enter your car (and why wouldn't you?) they will park you accordingly. Your car numbers should be placed under your windshield wiper if you are participating.
4. Join your fellow members around the covered tent area for some opening remarks from our illustrious president before the days activities begin. There should be coffee available.
