Saturday, July 18, starting in Guelph

To encourage participation and make things simpler for folks, instead of a Time/Distance Rally, this year Pat Bellamy & Pat Onions are teaming up to bring you a **Poker Run Tour**.

It's an easy touring day on the best roads we have to offer in the Guelph & surrounding area. Instructions will be available in GPX and simple distance/turns printed format. There are no timing calculations to worry about - just enjoy the drive and pick up your playing cards at the stops along the way.

We have nice prizes for the top best three hands.

Driver's meeting is at 9:45am at Planet Bean, 259 Grange Rd, (east end of Guelph). Best 401 exit is Guelph Line (head North), or come in via HWY 124 or HWY 7E. There is no gas at the start location, so please top up on the way to Guelph. We'll have a late BBQ lunch at the Guelph Legion (about 2pm). Awards will follow during or just after lunch.

Bring your functioning GPS, or a functioning navigator. There are no leads & sweeps but you may use your CBs and travel in groups if you wish.

Please pre-register by email or phone with Pat Bellamy by July 5th.

We need this info for scorecards and BBQ numbers. Thanks.
