Pre-decide what movies combination you want to see, there are 3 screens to choose from

Take bug spray just in case

Bring long pants and a sweater or light jacket, the nights do tend to cool off

Take a lawn chair if you want to sit outside your car before or even during the movies

Outside food is not allowed, support your local drive-in by buying food and drink there

You can leave after the first movie if you do not want to stay for the second movie

If you prefer not to drive home after the movies, I suggest reserving at the Monte Carlo Inn, and tell them you will be a late check-in.
