Today's Mission: Go Home

Distance: 1'000km

You may want to stay over one more night in Belleville, or even in Montreal. It'll be a Tuesday night, so finding a last-minute hotel should be easy. Feel free to give up and bow-out at any time.

Sleep in Montreal or Belleville or your bed at home – if you can make it.

0930 Departure

+2h charny

+1.5h drummondville

+1h AUT 30 Montreal by-pass (not on GPS)

+1h Ontario

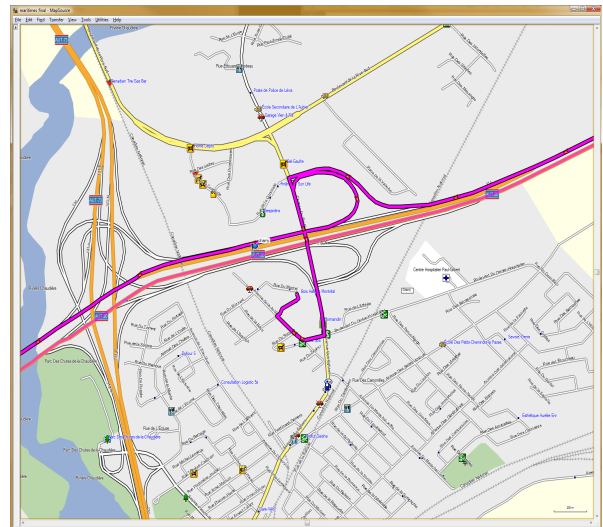

~2230 with five quick stops and quick lunch and quick dinner

It's a very long and very boring drive home. 11 hours of driving to Toronto.

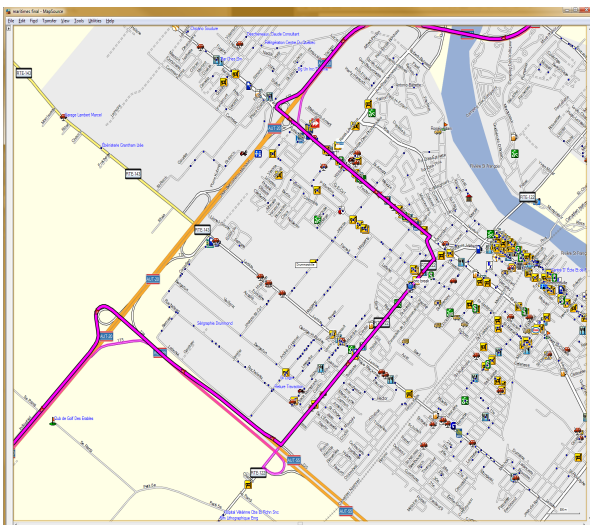

I'm going to suggest very frequent short stops – like hourly – just to break it up, stretch, breathe, switch drivers, and so on.
