September 2024 Tour

This completely NEW tour is being organized by former club executive Gerry Robbins and Brian Spivak. This is a mid-week, overnight tour taking place from September 24 to the 26th of 2024

Although our club has toured up to Westport Ontario mainly from Kingston many times in the past, this is the FIRST time that a tour will be based out of Westport, Ontario. Our venue will be the rustic Cove Country Inn. Which provides numerous amenities including dining & lounge facilities, centrally located in town, quick access to waterfront, etc.... And as

this is a smaller more intimate venue than most other overnight tours, there are only a limited number of spots available (12), which is based on total number of rooms available at the Inn.

Westport and the surrounding countryside, is a major tourist area of eastern Ontario. Along with some spectacular driving roads, places of interest will include a winery, antique shops, a microbrewery, marina, an assortment of dining options and much more.

Keep an eye on future screeds as well as the 2024 September calendar for additional updates.
